Employment History

1989 - present: RGM Communications Inc., Vancouver, BC

- Provided management services in the development of both long and short corporate strategies for various Canadian and American public and private companies.
- Provided expertise in writing news and corporate releases, public relations, regulatory/legal compliance for public companies, and long-term strategic development.
- Provided political, market and business commentary to such media sources as the Wall Street Journal, USA Today, Globe & Mail, Vancouver Sun, Canada Stock Watch, Canadian Business, BioWorld and The PIPE Report on behalf of corporate clients.
- Managed legal case against president and lawyer of a private company accused of misappropriation of corporate funds. Won court judgment and partial return of funds.
- Developed a public relations campaign against the United States Department of Justice and the Federal Bureau of Investigation (FBI). Client was cleared of all 14 charges after 20-month period.
- During this period was a Director and Officer of both Canadian and American public and private mining exploration companies.
- Has been part owner of two placer operations during this period.

2013 - 2019 Labour Unlimited Ltd., Vancouver, BC

Worked through the company for a number of construction companies on a temporary basis.

1988 - 1989: Jefferson Securities Inc., Vancouver, BC

As a Registered Representative I was mainly involved in researching developing Junior Mining companies for review by clients. Represented the firm at financial shows sponsored for the general public. Contributed research articles on various companies that were published in the firm's newsletters and distributed to all clients.

1979 - 1988: Midland Doherty Ltd., Toronto, Ontario and Vancouver, BC

Started with Midland in Toronto as a Registered Representative and transferred back to Vancouver after two and a half years. Dealt with retail clients in all facets of the New York, Toronto and Vancouver stock markets.

1965 - 1978: During this period lived and worked in "bush" camps for mining and construction located within northern British Columbia, northern Alberta and the Northwest Territories. I also attended school in Canada and the United States and travelled throughout Canada, the United States and Europe.
